At ABC Technologies, we offer three subscription plans: Starter ($19/month), Professional ($49/month), and Enterprise ($99/month). Each plan includes a unique set of features, such as varying levels of reporting, support, and user capacity. All plans come with a 14-day free trial, and annual subscriptions receive a 15% discount. If you have specific needs or would like a detailed breakdown of each plan's features, I'm here to help you find the best fit.

I apologize for the inconvenience you're experiencing with the application crashing during file uploads. To troubleshoot, please ensure your file is in a supported format (PDF, DOCX, XLSX, CSV, or PNG) and under 50MB in size. If the issue persists, try clearing the application cache and restarting the application. If the problem continues, I'll collect error logs to further investigate and provide a tailored solution to resolve the issue promptly.

Customer query: I need a refund for my annual subscription.
Draft response: I've reviewed your support history and see that you've recently inquired about a refund for your annual subscription.
To proceed, I'll need to confirm your subscription details and the reason for the refund request. If you're within 14 days of purchase, you're eligible for a full refund; otherwise, the refund will be evaluated on a case-by-case basis. I'll escalate your request to my supervisor for approval, and if approved, the refund will be processed within 5-7 business days to the original payment method. Please confirm your subscription details so I can assist you further with your refund request.
