At ABC Technologies, we offer three subscription plans to cater to different business needs. Our plans include the Starter Plan at $19/month, the Professional Plan at $49/month, and the Enterprise Plan at $99/month, each with varying features and support levels. We also provide a 14-day free trial with no credit card required, and annual subscriptions receive a 15% discount. For a detailed breakdown of each plan's features, please let me know and I'll be happy to assist you in choosing the best plan for your business.

I apologize for the inconvenience you're experiencing with the application crashing during file uploads. This issue is often caused by exceeding the 50MB size limit or using unsupported file formats, such as those other than PDF, DOCX, XLSX, CSV, or PNG. To resolve this, please try uploading a file within the size limit and in a supported format, and also clear the application cache. If the issue persists, please provide more details about the file you're trying to

Customer query: I need a refund for my annual subscription.

Draft response: I see that you've previously reached out to us regarding a refund for your annual subscription. To assist you further, I'll need to review your account details and determine eligibility for a refund. Could you please confirm your subscription plan and the date of your last renewal? If you're within the first 30 days of renewal, please note that cancellation requests for annual plans require supervisor approval. I'll guide you through the next steps to process your refund request.

--- FINAL RESPONSE TO CUSTOMER ---

Your previous support issue involved a billing inquiry for a refund on your annual subscription. We had discussed gathering more information to review your account and determine refund eligibility. As per our previous conversation, your request may need management approval, following our company's policy. If you're ready to proceed, I can help gather the necessary information to move forward with your refund request.
